Bid #950-C - POWER SWEEPER

Lease-Purchase Alternative

Either sweeper quoted in the attached bid would be available to the City on a lease purchase program.

We would normally recommend a 50 month lease through Jim Kelly Leasing Co. and have shown below the rates which would apply at todays prime interest rate. Please note these rates are slightly higher than those included in our September preliminary information due to the recent increases in interest costs.

Under this program, the equipment would become the City's property at the end of the 50 month lease.

	Demo Unit - Model 2000	New - Model 2000
1st - 12th Month	$442.75	$485.45
13th - 24th Month	$417.45	$457.71
25th - 36th Month	$392.15	$429.97
37th - 50th Month	$366.85	$402.23

Should you prefer additional lease quotations, we would be happy to obtain a quote from Circle Leasing Corp. in Indianapolis, IN.

Subject Purchase of Power Sweeper

COPIES TO:

I recommend and prefer the purchase of the American Lincoln 2000 Power Sweeper demonstrator model that was an alternate bid from D & J Industrial Equipment. The demonstrator model has 60 hours of use which is equivalent to 3% of the life of the machine.

Justification of preference is as follows:

1. Price - Demonstrator is reduced $1220. with full warranty.
2. Meets and exceeds all specifications.
3. Local parts and repair shop, immediate service available.
4. More power on incline which is needed for parking garage.
5. American Lincoln has a 20 cu. ft. hopper which holds 3/4 ton versus Tennant's which is 14 cu. ft. and holds 1/2 ton.
6. Maintenance department has operated both machines and prefer the maneuverablity and handling of the American Lincoln sweeper.
